Group Fitness Class Descriptions

20 Minute Tabata: Designed for those who want a full body workout in a short amount of time. Exercises are done in short bursts with periods of rest.

Active Gold: This workout for beginners or active seniors includes both cardio and strength work. Balance, coordination, and flexibility round out this complete class.

AXIS: AXIS creates stability from the axis, or the middle of your body, which is the basis of all movement, then layers on mobility, strength, and power. Try this 30-minute workout for the core.

Beginners Yoga: Learn the fundamental poses of yoga as you build strength, increase flexibility, and find focus. Ideal for anyone new to yoga.

BODYPUMP™: The original barbell-based class that strengthens and tones the entire body. Burn maximum calories while having a blast. (Xpress is 30 or 45 minutes.)

Bootcamp: Designed to build strength and fitness through a variety of intense group intervals.

Drop-in: \$15, 4-pack: \$55, 10-pack: \$140

CXWORX™: A quick 30-minute workout using your own body weight, resistance tubes, and weight plates to increase your core strength, tone your abs, glutes, back and legs, as well as improve your posture.

Cycling: All classes provide a great workout to increase muscular strength and cardiovascular endurance without impacting the joints. Our cycling classes take you through hills, flats, sprints, and mountains. Offered in 30 and 50 minute formats.

Fit Kid Challenge: Kids 4-11 years old are invited to join in the fun. Kid-friendly activities that change weekly to challenge balance and agility and stamina.

Gentle Yoga & Meditation: Learn to let go of the stress and tension that can create pain and irritation in the body and mind while increasing flexibility and focus. This class combines gentle postures with easy movement, breath-work and guided meditation. A blanket or covering is recommended.

Kettlebell: Takes heart-pumping music and your favorite kettlebell moves and combines them into calorie-torching fun!

Pilates: Focus on strengthening the core, including abdominals and low back. Increase flexibility, range of motion, balance, and coordination.

Pilates Reformer: Increase core and muscular strength, overall flexibility, balance, and coordination while creating long, lean musculature, utilizing spring resistance on the Reformer Bed equipment.

Pump & Core: This class is focused on helping you get and stay strong! It combines free weights, body weight and stability balls to challenge your muscles – especially your core. Open to all levels.

Retro Aerobics: 30 minutes of low impact cardio, 20 minutes of strength (abdominals included), and 10 minute stretch.

RIP: A barbell workout that incorporates functional orthopedic strength training. Every movement plane is attacked using weights and bodyweight. Featuring safe, motivating exercises and great music that get you results. (Xpress is 40 minutes)

Seated Yoga: Increase flexibility with a gentle yoga flow while seated.

Silver Seniors: Great chair/standing class for Boomers & beyond if you are new to fitness or just want to get moving. Utilize resistance bands, soft fitness balls, light hand weights and your own body to move towards better health!

Step: Step is a great all-around exercise that is perfect for all exercisers since it can be modified to create an intense workout for all levels, whether you have just started to exercise or have been training for years.

Tai Chi: The ancient Chinese practices of tai chi combines slow, deliberate movements, meditation, and breathing exercises all done from a standing position.

TRX™: Suspension training that leverages gravity and your own body weight for hundreds of different exercises. *Drop-in: \$15, 4-pack: \$55, 10-pack: \$140*

Wake Up & Walk: This is a challenging interval walking class: participants will walk at a rate of 12-15 minute mile.

Yoga 1: This class refines the basics learned in Beginners Yoga. Sun Salutations and more challenging standing and seated poses build endurance and increase strength as well as flexibility.

Yoga 2: This challenging class flows at a faster pace than Yoga 1. It is suitable for students who have practiced other styles of yoga, but it is not suitable for beginners.

Zumba®: A mix of low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. A total workout, combining all elements of fitness: cardio, muscle conditioning, balance, and flexibility.

Zumba® Gold: For beginners or active seniors with easy to follow dance moves to create a fun and dynamic workout.
